## CLINIC

Radius Health Clinic is a multidisciplinary clinic that primarily caters to women's health. We aim to **empower and motivate** prenatal & postpartum mothers, along with those experiencing pelvic health, musculoskeletal, and aging concerns. Our practitioners work in **partnership with patients** to work towards their goals in a meaningful way. Our clinic is a modern, unique space located in the **downtown core of Chatham** that offers individual holistic, evidence-based care with longer appointment times to enhance patient and practitioner interactions.

## POSITION

### **Part-time Physiotherapist (with potential for Full-time)**

- Must be registered with the College of Physiotherapists of Ontario
- Ideal candidate will be collaborative, independent, passionate, and caring
- Opportunity to collaborate with Pelvic Health Physiotherapy, RMT, Registered Dietitian and Doula
- Mentorship will be provided and highly recommended
- New Grads are encouraged to apply!
